You own 10 articles, have submitted 8 articles and are registered as the author of 10 articles.

Are you incorrectly registered as an author or a non-author of any articles you own?

If so use the Change Author Status form

Are there articles you are an author of on arXiv that are not listed here? If you have the paper password use the Claim Ownership with a password form If you do not have the paper password or are claiming multiple papers use the Claim Authorship form.

For more information please see our help page on authority records.

Your public author identifier is <a href="http://arxiv.org/a/brent\_b\_1">http://arxiv.org/a/brent\_b\_1</a> and may be used by other services to access the list of articles authored by you, see author identifier help.
